5600 Fishers Lane  
Rockville, MD 20857

Dear Commissioner Henney:

I urge you to save human lives by banning the use of medically useful antibiotics in animal feed.

Adding antibiotics to feed in order to promote growth can make bacteria resistant to those antibiotics. That can leave physicians with no way to treat life-threatening bacterial infections in humans.

That is why I support the petition filed by the Center for Science in the Public Interest.

Very truly yours,

Anna D. Bucher
